

## ESGL Holdings Limited Schedules Full Year 2023 Earnings Release and Conference Call Date

May 6, 2024

### Company expects to report double-digit revenue growth for 2023, share strategy for 2024

SINGAPORE, May 06, 2024 (GLOBE NEWSWIRE) – [ESGL Holdings Limited](#) (NASDAQ: ESGL) (“ESGL” or the “Company”), a sustainable waste solutions provider whose mission is to upcycle industrial waste into circular products using innovative technologies and renewable energy, today announced it will host a conference call to discuss full year 2023 results on Friday, May 10, 2024, at 8:00 a.m. EDT.

The Company expects to report double-digit revenue growth for 2023, reflecting its significant expansion in capacity. Management plans to share its plans to achieve continued growth and improved profitability and cash generation in 2024 by leveraging existing capacity and traction with new products introduced late in 2023.

“While ESGL faced certain headwinds in 2023 related to weak demand from the semiconductor sector and delays in capacity expansion, we go into 2024 with a high degree of confidence about our ability to deliver growth in a capital-efficient manner and capture the opportunities from our growing range of new products,” said Quek Leng Chuang, Chairman and CEO of ESGL. “We look forward to sharing the details with our shareholders in the upcoming earnings report and conference call.”

The earnings release and investor slides will be available on the investor relations website at <https://ir.esgl.asia> prior to the event.

The conference call webcast may be accessed in the “Events” section of the Company’s investor relations website under the “News & Events” header at <https://ir.esgl.asia/news-events/events>. The Company intends to make a replay available after the call for 30 days.
